Dear Mr. Jessup:

Thank you for the correspondence of January 15, 2019, submitted on behalf of the Yukon Salmon Sub-Committee regarding the recommendation to implement a fishery management measure (*Yukon Salmon Catch Card* condition of license) for Alsek River salmon public angling fisheries in the upcoming season.

Pursuant to Section 16.8.4 of the *Champagne and Aishihik First Nations Final Agreement*, I have accepted the recommendation as presented.

I would like to extend my appreciation to the Yukon Salmon Sub-Committee's efforts to engage the Champagne and Aishihik First Nations Government, Yukon First Nations, public angling organizations and Fisheries and Oceans Canada in the development of the recommendation. These actions reflect a commitment to the inclusive and collaborative approach to developing practical recommendations that consider the interests of all parties.

Thank you for writing.

Yours sincerely,
